Copy over of Perm Plan

When a Permanency Plan is copied over, the Child's Placement History, Child's Health Summary and Child's Educational Summary will now pre-fill when applicable.

When copying over a Perm Plan for the same child, the sections will pre-fill with the information from the original Permanency Plan.

If a Perm Plan is being copied over for a different child, certain sections will not copy over if they are child specific sections. All prefilled fields are reset to blank and then repopulated from the information from the tabs on the Perm Plan page. Also, only the following user entered fields will copy over: 1e, 5, 6, 7, 8, 9, 11b, 12, 14, 17, 20, 24. All other user entered fields are reset to blank.

See Template Mapping document on the Knowledge Center for additional information.
